Objective

Motivated B.Tech IT student with solid programming skills, seeking to contribute to innovative software projects. Strong in problem-solving, teamwork, and eager to apply technical knowledge in real-world environments.

Education

Sreenidhi Institute of Science and Technology ,Hyderabad Bachelor of Technology ,Information Technology - CGPA : 7.4	Nov 2022 – May 2026
Sri Chaitanya Junior College ,Hyderabad MPC - Marks : 963/1000	2020 – 2022
Sri Chaitanya Techno School ,Kodad SSC CGPA: 10/10	2019 – 2020

Skills

Languages : C, Python,Java,HTML5,CSS.

DataBases : My SQL.

Libraries : Fundamentals of NumPy, Pandas, Matplotlib, Seaborn .

Tools : Git, Github, Power BI, Google Colab, Microsoft Powerpoint, Microsoft Excel, Figma.

Soft Skills : Problem Solving, Decision-Making, Critical Thinking, Leadership,Time Management, Adaptability.

Projects

Forecasting Self-Harm Trends from Online Platforms Public [🔗](#)

- Developed a machine learning and NLP-based predictive analytics system to forecast self-harm trends from social media data, leveraging text mining, sentiment analysis, and emotion detection; performed data pre-processing and feature engineering, and implemented supervised learning models including Random Forest, Decision Tree, and XGBoost to identify patterns and predict trends, with evaluation using accuracy, precision, recall, and F1-score, enabling early detection of mental health risks and data-driven insights.

Website-visitor-Dashboard [🔗](#)

- Performed data cleaning, analysis, and reporting using Microsoft Excel and Power BI to track website performance metrics such as traffic, sessions, and user behavior. Worked with large datasets to generate meaningful insights and create interactive dashboards for monitoring trends. Maintained a high level of accuracy and attention to detail while handling and validating data for reliable reporting.

Certifications

- Oracle : Oracle Cloud Infrastructure 2025 Certified Data Science Professional
- NPTEL : Programming in java percentage : 79/100 ,silver Medalist
- United Latino Students Association:SQL,Relational data bases
- Cisco Networking Academy : Data Analytics Essentials
- Infosys Spring Board : Artificial Intelligence
- Udemy: Web Development
